

ISEECap 2019

International Symposium on Enhanced
Electrochemical Capacitors
6-10 May 2019, Nantes, France

Sponsorship/Exhibition Program

The International Symposium on Enhanced Electrochemical Capacitors, ISEECap19, will be held from May 6 to 10 in Nantes, France, at La Cité Nantes Events Center. [See: https://iseecap-2019.sciencesconf.org](https://iseecap-2019.sciencesconf.org). The organizing committee invites you to participate and sponsor this exciting event which will be the opportunity to celebrate the 10th anniversary of ISEECap meetings.

The series of ISEECap Meetings have a great tradition and unique style of blending fundamental research with practical applications in the field of electrochemical capacitors and related devices. This ISEECap 2019 Meeting will follow the tradition to line up a strong assembly of plenary, keynote and invited speakers to present and discuss such topics. About 200 world-class researchers, technologists and industrial participants, representing the best laboratories in the field, will attend and communicate their latest advances and breakthroughs. Your company will benefit for sure from this major gathering of the community.

To promote your services and products to your peers, potential clients or collaborators, three levels of sponsorship and an exhibition package are encouraged with the following marketing and advertising opportunities:
